## NIGHTINGALES PRIMARY CARE NETWORK PATIENT PARTICIPATION GROUP

We are looking for more patients to join our Nightingales Primary Care Network (PCN) Patient Participation Group (PPG). A PPG is a group of patients, carers and GP practice staff who meet to discuss any issues/concerns and patient experience to help improve our services.

We are looking for representatives from all six of our practices but in particular if you are a patient at Hollywood Medical Practice, Hollyoaks Medical Centre or Crabbs Cross Surgery we would love to hear from you! We meet once every two months, usually face to face at The Ridgeway Surgery.

We are really keen to expand the group to gain a wider representation of our PCN population. If you are interested in joining and having your opinion heard, please email Fiona Proudley Care Co-Ordinator at [fiona.proudley@nhs.net](mailto:fiona.proudley@nhs.net)
