

THE MEDICAL CENTRE
PUBLICATION OF EARNINGS
2021/22

All GP practices are required to declare the mean earnings (e.g. average) for GPs working to deliver NHS services to patients at each practice.

The average pay for GPs working at the surgery in the last financial year before tax and National Insurance was £63,904. This is for 1 part time GP and 2 locum GPs who worked in the practice for more than 6 months.
